On 25-29 April, EPALE is hosting **Migrant Education Week**. We’re focusing on the exchange of experiences, challenges and solutions to delivering quality education to migrant learners, in both established communities and newly arrived refugees and asylum seekers.

Get involved:
- Join our three-day text discussion, where you can share your experiences, the challenges and solutions to migrant education
- Read opinions from experts across Europe
- Find case studies on successful projects working with migrant learners
- Use resources to help you with your delivery
- Find events relating to migrant education

Follow us on Twitter (@EPALE_EU) and Facebook (Adult Learning in Europe) to stay up to date, and get involved using the hashtag **#EPALE2016**
