European Event supported by the French National Agency-Génération [Erasmus+](#) in cooperation with the Italian National [Agency-Erasmus+](#) Indire

The #Erasmusday event is organizing according a well structured presentation of two [Erasmus+](#) projects our school benefits for the school years 2016-2018: GAME as coordinator and LED as partner. Students will lead different workshops according to the school subjects for their mates from the Primary School as a sort of welcome in our European "vibes" context and they will talk and show through videos their experience in [Erasmus+](#) activities and short-term exchanges in the partners' countries. Stakeholders will listen and see music and theatrical performances and will receive some gadgets as dissemination of the projects.
